# WHY IS PEER FUNDRAISING IMPORTANT?

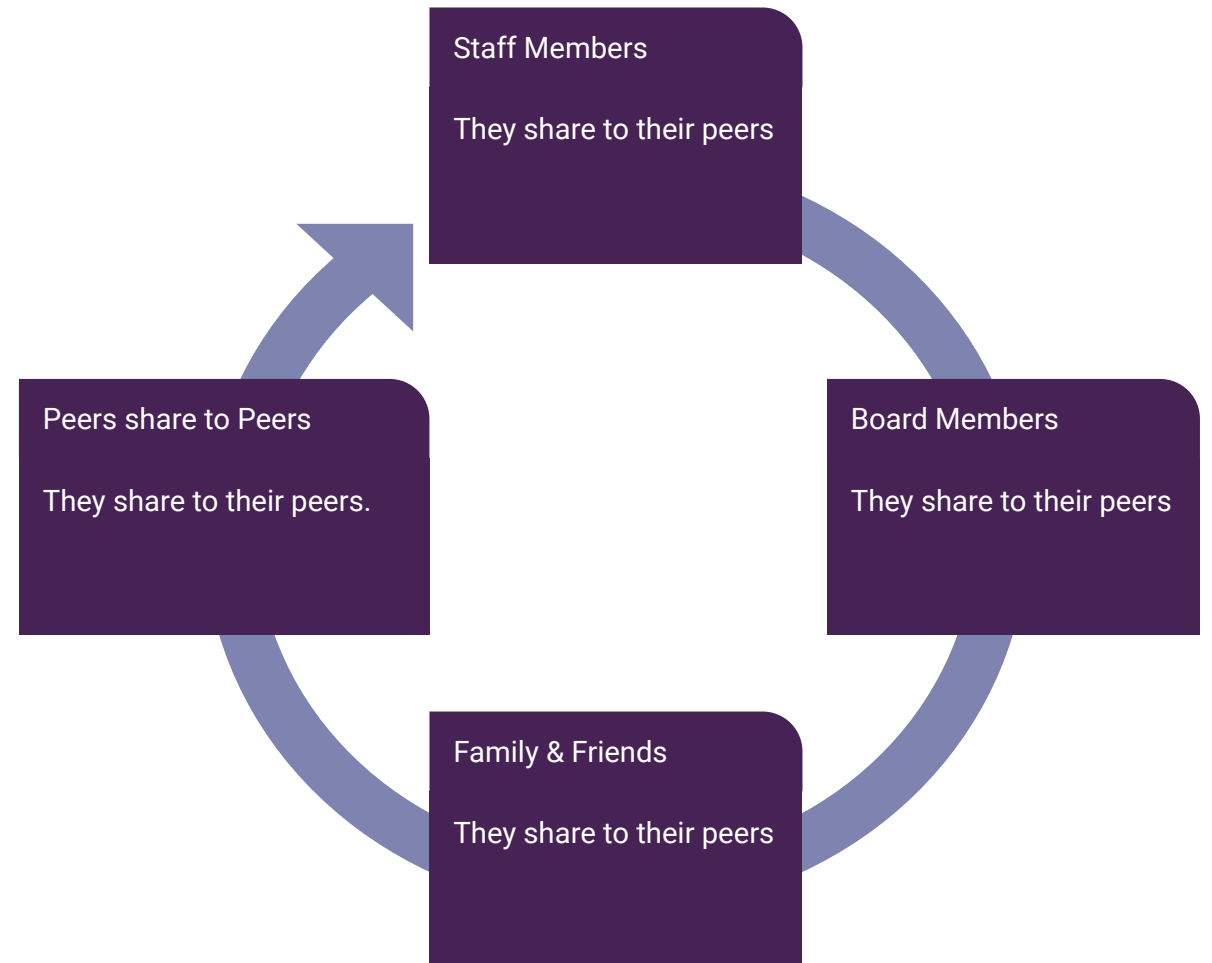

- P2P Fundraisers enable Nonprofit organizations and Fundraisers, who are their biggest supporters, to collect online donations by sharing their Fundraiser via social media and email.
- P2P Fundraisers can be created, managed, and edited via the Fundraiser/Donor profile right on the same Neon One platform.
  - Head to the Login screen!

*For the purposes of this presentation, we will review Peer 2 Peer Fundraising from both the Nonprofit and Supporters' perspectives*

# WHO ARE MY SUPPORTERS?

- Your organization
  - Encourage your staff to promote a specific need (new program, capital campaign, etc..)
  - Gather Board Members together in a single P2P fundraising page so that they may reach out to their networks for support
- Peers, Friends, Family
  - Allow your biggest fans and supporters to raise funds on your behalf
