AZ Impact for Good welcomes you to AZGives.org which is an online service we offer to the philanthropic community in accordance with the following Terms of Service & Liability document.

You will need to accept these Terms of Service & Liability each year, and you are responsible for understanding any updates as they’re released.

 - f) Currently, school-tuition organizations (STO’s) can **only** receive donations to assist with the operations of their organization. STO’s cannot receive donations for the purpose of tax credit-funded scholarships due to Arizona state statutes.
 - g) Payment of a **\$50-\$100 annual registration deposit** for your organization’s participation in Arizona Gives. **The deposit is fully (or partially if you enrolled late) refundable as long as your organization raises a total of \$500 or more between March 12-April 5, 2024 on the AZGives.org platform.** If you meet this criteria, your refundable deposit of

\$50-\$75 will be returned to you in May following Arizona Gives Day. *(See Section E.6 and E.7 for details on processing periods and distribution timing.)*

2. Fiscal Sponsorships:
- a) An eligible organization has a history of acting as a fiscal sponsor/agent for another program. This organization can have more than one profile with the same federal tax ID number.

B. Your Organization's Information

1. You certify that, to the best of your knowledge, all of the information entered into your AZGives.org profile is accurate and correct.

You will receive a customized organization donation page with a personalized link. You are responsible for providing organizational information, logo, and images for use on your personal donation page.

E. Donation Processing

1. You agree that Arizona Gives may treat, for accounting purposes, gifts made through AZGives.org in the name of your organization as gifts to 'AZ Impact for Good' on your behalf, and that such gifts will be processed as having been made to "AZ Gives or Arizona Gives," which is how it will appear on your donor's bank or credit card statement.
 - a) You agree to educate/inform your donors as to how these charges will appear on their bank or credit card statements, ensuring the donor understands this charge is related to their donation to you on AZGives.org.
 - b) For qualified Arizona State Tax Credit organizations choosing to accept appropriate gifts via AZGives.org, AZ Impact for Good will serve as a pass-through organization. Furthermore, qualifying Arizona State Tax Credit organizations will be responsible for issuing the tax receipt and will also determine the extent to which a contribution is eligible for an Arizona Tax Credit.
 - c) You understand that Arizona Gives will send an electronic receipt at the time of donation that includes your organization's donation (and potentially others) with any required QCO/QCFO codes. And that it will include the FULL donation amount, including any donation fees they choose to cover, which is the full tax-deductible amount.
2. You acknowledge that Arizona Gives will subtract a fee from each donation for payment processing, technology/security and program fees.
 - a) Donors will have the opportunity to cover technology/security and program fees (collectively known as the donation fee) of 6.0% (participation cost). The donation fee/participation cost rate is effective as of 1/1/2024. *Note: Approximately 80% of donors have chosen to cover these fees in the past. If a donor chooses not to cover these fees, however, they will be subtracted from the donation accordingly.*
 - b) For donations processed via credit/debit card (regardless of the type) OR electronic check/ACH, the payment processing fees subtracted will be a flat 2.5% if donors choose to cover the participation cost or 8.5% if donors choose not to cover these participation costs. There will be no transaction fee per donation. Payment processing fee rate is effective as of 1/1/2022.

See chart below for details.

4. You agree to return any donation in full that is disputed and results in a refund to the donor even AFTER the donation has been distributed via ACH to your organization's bank account. The returned donation amount will be made to or sent to AZ Impact for Good.

In order for donations to be counted for the Arizona Gives Day incentive prize program, donations MUST be made through the AZGives.org website during the early giving period and on Arizona Gives Day. Donations made at any other time and/or by any other method will not be eligible for the Arizona Gives Day incentive prizes. (See current year's Prize Rules & Guidelines document on AZGives.org for specific details.)

 - b) Should you choose to enter a physical check into the AZGives.org platform and process it as an electronic check, you agree you will obtain the donor's permission (individual or business), confirm the check is able to be processed to 'AZ Impact for Good' (business) and inform them about how the donation will show on their bank statement. *(as outlined in Section E.1)*
6. AZ Impact for Good uses Neon One as its technology partner for the Arizona Gives program. Neon

 - a) For purposes of this agreement, the processing period is one calendar month, beginning on the first day of each month and ending on the last day of each month with exception of the month Arizona Gives Day is held (April).
