This email serves as notification that your recent 90-day extension request has been granted. Your new renewal date is 3/31/2018. However, if you need additional time to prepare your renewal registration, and have been granted additional time by the IRS to file your Form 990, you can request a second, 60-day extension. To do so, please submit a second extension request, attaching the required IRS Form 8868. This second extension request can be made at no cost.
