

Nonprofit FAQs

Why should my organization participate?

The Fremont Area Big Give will allow your nonprofit organization to participate in a day of philanthropy that:

- raises awareness about your organization
- provides the opportunity to grow your donations and receive bonus funds throughout the event
- reaches new donors
- builds your online fundraising skills

What is required for organizations to participate? Is there a fee?

There is no fee to participate. However, you should be prepared to devote time and energy to promoting your organization before and during the Fremont Area Big Give event. You will need to engage your donors and communicate timely updates through your social media networks. Individual promotions are at the expense of the organization. The Fremont Area Community Foundation is working to secure a bonus pool and incentive prizes. Participating organizations will have access to online tools through the FremontAreaBigGive.org website.

How do I register my nonprofit to participate?

Go to FremontAreaBigGive.org/faq#Registration to confirm your organization's eligibility to participate and to apply. There are no restrictions based on an organization's size; however, you must serve the Fremont area. The donations received through the Fremont Area Big Give must be used for charitable purposes in the Fremont area.

How do I know if I'm a new or returning nonprofit?

If your organization participated in the Fremont Area Big Give 2017, you are a *Returning Nonprofit*. If your organization did NOT participate in the Fremont Area Big Give 2017, you are a *New Nonprofit*. The registration process is different for new and returning nonprofits. Please refer to FremontAreaBigGive.org/faq#Registration for details.

What is the deadline to sign up for the 2018 Fremont Area Big Give?

Organizations are required to apply to participate through FremontAreaBigGive.org by 11:59 p.m. on Wednesday, January 31, 2018. The Fremont Area Community Foundation will verify 501(c)3 status and review supporting information. Once approved to participate, organizations will have until March 23, 2018 to customize their individual donation page on the Fremont Area Big Give website.

My organization has multiple programs. Can I register all of them to receive Fremont Area Big Give donations?

No. Only one listing per Federal Identification Number is permitted. Donors can designate gifts to an organization, but not to a specific program or project of an organization.

Is there a limit on the number of donations my organization can receive?

No. The sky is the limit! However, only gifts up to \$10,000 per organization will be eligible for a proportional share of the Bonus Pool. Organizations are prohibited from donating to themselves. The Fremont Area Big Give is intended to be an additional fundraising opportunity for organizations. It is not intended to replace or overlap donor gifts to a nonprofit organization that would normally be made during the course of regular charitable giving or campaigns.

How can I help make the day a success for my organization and our community?

Promote, promote, promote! Please visit the *For Nonprofits* tab to download available resources designed to help promote your organization throughout the Fremont Area Big Give event. If your organization does not currently maintain social media pages, please set up accounts for your organization now. You can download step-by-step instructions under the *For Nonprofits* tab. Also, make sure you “like” the Fremont Area Community Foundation Facebook page to see important and fun Fremont Area Big Give updates to share with your staff, board and donors. Remember, have fun! Your creativity and energy will make it a success.

Help! My organization does not have a presence on social media. How do we establish one?

Fremont Area Community Foundation staff members will be available to assist organizations who need help setting up a Facebook page and/or Twitter account.

How do the bonus funds and incentives work?

The Fremont Area Community Foundation is currently working to secure funds from local partners to help promote excitement, participation, good-natured competition and momentum for the Fremont Area Big Give.

Bonus Pool

Monies raised for a Bonus Pool will be shared by all participating nonprofits receiving donations during the event. The amount received will be based on each organization’s overall percentage of funds raised during the event. If an organization receives 1% of the total funds raised that day, that organization will receive 1% of the bonus pool. Donations will qualify for the bonus up to a \$10,000 limit per donor per organization to prevent substantial donations from skewing the allocation of bonus funds.

Bonus Grants & Incentive Prizes

In addition to Bonus Pool dollars, the Fremont Area Community Foundation is seeking donations to be awarded throughout the day in the form of bonus grants, incentive prizes and random drawings to boost organizations’ fundraising totals. Once an organization has received an incentive prize, it may not be eligible to receive another one.

Will there be information to share with donors and constituents?

Yes. Visit FremontAreaBigGive.org to check out the *For Nonprofits* tab. You will find a variety of promotional tools and ideas to promote the day.

What is a “unique donor”?

A donor refers to an individual, business or organization that makes a donation through FremontAreaBigGive.org. Each donor will be counted once per charity as a “unique donor” based on email address and credit card number. If an individual, business or organization makes multiple donations to several organizations, the donor will be counted as one “unique donor” for each organization. The Fremont Area Community Foundation reserves the right to disqualify a donation if duplication is identified.

Does my organization need to create marketing tools for participation in this event?

The Fremont Area Community Foundation will create a common message and brand for the campaign which includes marketing the event to a wide audience and utilizing advertising and media partners to promote the event. Social media toolkits will be online and training for participation in the Fremont Area Big Give event will be provided. Easy-to-use and easy-to-access templates and other marketing tools will be provided to organizations; however, it is the sole responsibility of each participating organization to contact its existing donor base as well as any new donors your organization wants to engage. Think BIG and reach out to your supporters!

When can my organization promote the event?

We encourage your organization to begin heavily promoting starting March 26, 2018 (6 weeks prior to the event) using platforms such as Facebook, Twitter, emails, newsletters and your direct mail campaigns. Promotional vehicles used by participating organizations will be at the organization’s own expense.

How should organizations promote this event?

We hope you will promote the Fremont Area Big Give to all donors in every way you can—direct mail, telephone solicitation, web, social media and word of mouth. After you’ve been approved to register you’ll receive a personalized URL on the FremontAreaBigGive.org site that is specific to your organization. You can use this custom URL on all of your promotional materials. It is important that you include the Fremont Area Big Give event information on your website, Facebook page and Twitter feed. Keeping information current and posting consistently is the key to success. The more you incorporate the event into your public communications, the more successful your organization will be at gaining support and raising funds.

Can my organization host a special event?

Yes! We encourage you to plan an event, partner with other participating nonprofits or connect with a local business to raise awareness about the Fremont Area Big Give on May 8, 2018.

Can we encourage donations by giving away prizes or free gifts?

No. In order to maintain a 100% tax deductible donation, donors cannot receive an incentive of value or discounts to entice giving during the event.

What if a donor does not have internet access—can he or she still make a donation?

Yes. Donors who wish to give may do so in person at participating non-profit organizations, the Fremont Area Community Foundation and donation stations located throughout the area.

Can donors write down their credit card information at our event/activity/organization May 8th and have our staff enter the gift online?

No. If you are going to offer the ability for donors to give offline during your event/activity, you must provide a computer for donors to use themselves. You can assist donors with the completion of their gift online, as long as they are present. There are liability issues with credit card processing including security of donor financial information. Accepted credit cards are Visa, MasterCard and Discover. **Please note: American Express is not accepted.

What if a donor wants to make an offline donation via cash or check at our event/activity/organization?

That is wonderful! Please be sure to have the donor write the check to “Fremont Area Big Give” and list your organization in the memo of the check. Please keep a log of all cash and checks received. All participating nonprofits will be trained in how to help donors make e-check contributions so that these transactions can be processed by the nonprofits throughout the day. However, the staff at the Fremont Area Community Foundation will be available to help process e-checks as well. If you prefer to have FACF staff process e-checks, please note that all offline donations of checks, as well as cash donations, MUST be delivered to the Fremont Area Community Foundation offices no later than 6:00 p.m. to be counted toward the Fremont Area Big Give.

Will donors who make a cash or check donation at our event/activity/organization be eligible for bonus funds, unique donors and hourly incentive prizes?

Yes. Please be sure you have a volunteer regularly bring gifts of cash or checks to the Fremont Area Community Foundation. Remember: donors are only eligible for incentive prizes and bonus funds if they are entered into the system. If a donor gives a gift at 10:00 a.m., but the gift is not entered into the system until 2:00 p.m., then the donor will be in the pool for an hourly incentive prize from 2:00-3:00 p.m. rather than 10:00-11:00 a.m. All offline donations of checks, as well as cash donations, MUST be at the Fremont Area Community Foundation no later than 6:00 p.m. to be counted toward the Fremont Area Big Give.

Will donors who make offline cash or check donations be subject to the standard event processing fees that other donors will pay?

Yes. In order for gifts to count toward the Fremont Area Big Give, they have to be entered online. Keep in mind, gifts not entered online through FremontAreaBigGive.org cannot count toward the event and are not eligible for any bonus funds.

What if a donor is at our event/activity/organization and wants to make a gift to multiple organizations?

Donors can make gifts to multiple organizations online at FremontAreaBigGive.org. The platform offers a “shopping cart” feature that makes it easy to do so. Help the donor complete his/her transaction on the computer you provide, or feel free to direct the donor to the Fremont Area Big Give Headquarters at the Fremont Area Community Foundation offices, 1005 E. 23rd Street, Suite #2.

How much of the donations go to my organization?

The nonprofit organization(s) will receive the full donation, less the third party charges of up to 5.1% in processing and credit card fees, and 30 cents per transaction. Donations from a bank account (eCheck) will be charged 40 cents per transaction. At the point of transaction, donors will be provided the option of boosting their gift to help cover these third-party fees. The Fremont Area Big Give Team has worked diligently to minimize the fees for this event and will not receive any funds or fees from the Fremont Area Big Give.

When will my organization receive its Fremont Area Big Give donations?

Every effort will be made for organizations to receive donations, bonus funds and prize money in a single disbursement within 60 days of the Fremont Area Big Give event. All disbursements will be made via check from the Fremont Area Community Foundation.

Does my organization need to send letters for donor tax deductions?

No. The donor will immediately receive an email confirming the gift made during the Fremont Area Big Give event. Please note that all donations must be 100% tax deductible (no additional benefits). However, we encourage you to acknowledge donations by following-up with donors to express gratitude, and let them know what you will do with their donation.

Will my organization receive donor information for acknowledgments?

Yes. You will have immediate access to donor information during and after the event. You will have to use the login information provided a couple days before the event to access your donor information. PLEASE SAVE THIS INFORMATION. We also encourage you to reach out to your donors after the event and thank them for supporting your organization.

Disqualification:

The Fremont Area Community Foundation has the discretion to decide whether an organization is eligible for participation in the Fremont Area Big Give and is in compliance with all event guidelines. By registering to participate, your organization agrees to: (a) abide by the terms of participation; (b) release and hold harmless the Fremont Area Community Foundation and its respective staff, volunteers and board of directors, from any and all claims, liability, loss or damage whatsoever arising with respect to the Fremont Area Big Give; and (c) consent to the use of your organization's name, photographs, video footage and logo in any publicity or advertising carried out in any medium in connection with the Fremont Area Big Give without limitation or further notification.

If I have other questions, whom should I contact?

Please call Melissa Diers or Leigh Feala at the Fremont Area Community Foundation at (402) 721-4252.
