

EVENT PLANNER PRIZE

Showcase your Mission and Earn a Big Give Prize!

The Fremont Area Community Foundation is hosting a *Big Give Event Planner* contest to recognize the nonprofit who hosts the most effective and creative BIG GIVE EVENT. The winning event will showcase the work of the nonprofit while raising awareness of its mission in creative fashion.

One of the goals of the Fremont Area Big Give is to lift up the work of our nonprofit community. One way we can do this collectively is for each participating FABG nonprofit to plan and host a community event that draws attention to its cause and purpose during the Big Give. We want everyone in the Fremont area to be thinking FREMONT AREA BIG GIVE on May 8th!

You can do this!! Here are the requirements. Your event:

- Must be held during the Big Give on May 8th or within the previous week (May 1-7)
- Must be listed on the EVENTS tab of your organization's Big Give profile by May 1
- Must be tied to your mission
- Can be a public event or invitation-only

Other suggestions:

- Be sure to share information about your public event with FACH so it can be listed on FremontAreaBigGive.org! (Invite-only events will only be listed on your profile "Event" tab.)
- Consider a partner! Perhaps an area business and/or another nonprofit would be interested in doing something fun together!
- Need inspiration? So many nonprofits participating in local giving days around the country have hosted some amazing events. Visit <http://bit.ly/FABGevents> to learn more about them.

The winning organization will be selected by the FACH Board of Directors who will base its decision on the criteria listed above. The winner will be announced during the Big Give-Final Stretch event on May 8th and will receive a \$1,000 prize!
