

Dear,

We are excited to announce that **{Insert Business Name Here}** is a proud Sponsor of **WyoBraska Gives!**

On November 13th, our communities will come together for the largest nonprofit fundraising event in the region, and we encourage YOU to become a part of making history! Over 100 organizations will be joining together to celebrate the spirit of giving and inspire donors to contribute as many charitable dollars as possible to support their work. This highly successful online giving option powers donations with match and incentive funds provided by area businesses. With minimum donations starting at \$10, everyone can become a hero for the day!

Nationally acclaimed fundraising platform, CiviCore, has joined forces with Oregon Trail Community Foundation to create an easy to use website that will showcase nonprofit profiles of every participating organization with their own "Donate Now" button. It's as simple as shopping on Amazon with a 'shopping cart feature' to donate to multiple causes at once! It's an opportunity for everybody to make a difference...\$10 at a time. There is even a Donor ToolKit with information on how you can give to your favorite nonprofit! Simply log onto [www.WyoBraskaGives.org](http://www.WyoBraskaGives.org) and scroll alphabetically or use the keyword search function. You can even register for volunteer opportunities!

In addition to direct fundraising profiles, WyoBraska Gives will feature an Online Silent Auction Link with opportunities for participating nonprofits to raise additional funds for their cause. For those who prefer to make an offline donation, Onsite Donation Stations will be available at participating Platte Valley Bank locations beginning November 1st.

WyoBraska Gives Day will take place on Tuesday November 13th from midnight to midnight. Early Online Silent Auction bidding will begin at noon on Monday November 12th and closing at 8:00pm on November 13th.
